

What is the Dragonfly Effect?

In the Hopi & Pueblo tradition, dragonflies represent the spirit of change and growth. The dragonfly bestows power and shatters illusions.

The Dragonfly Effect is a philosophy centered on personal transformation. The world begins to heal when we as individuals heal ourselves. Bringing the authentic version of ourselves into the world, we begin to transform and heal the world around us.

WATER CRISIS FACTS:

- **663 MILLION** PEOPLE WORLDWIDE LACK ACCESS TO CLEAN WATER
- **30 THOUSAND** PEOPLE DIE EACH WEEK FROM UNSAFE WATER
- **4.1 THOUSAND** PEOPLE DIE EACH DAY FROM WATER-BORNE DISEASE
